*Intelligent software solutions for
healthcare training and education*

Medical Education Management Suite
We specialize in integrated software solutions for medical education programs at schools, hospitals and private practices across the world.

Unify your information tasks and compliance management into a secure centralized internet database with tools specifically designed for both Graduate and Undergraduate Medical Education environments.

We are pleased to welcome **Group Health Cooperative** in Washington as a member of the New Innovations' client family.

Customize Page Layout

You can customize the Welcome Page Layout by dragging items where you wish and then clicking [Save Page Layout](#)

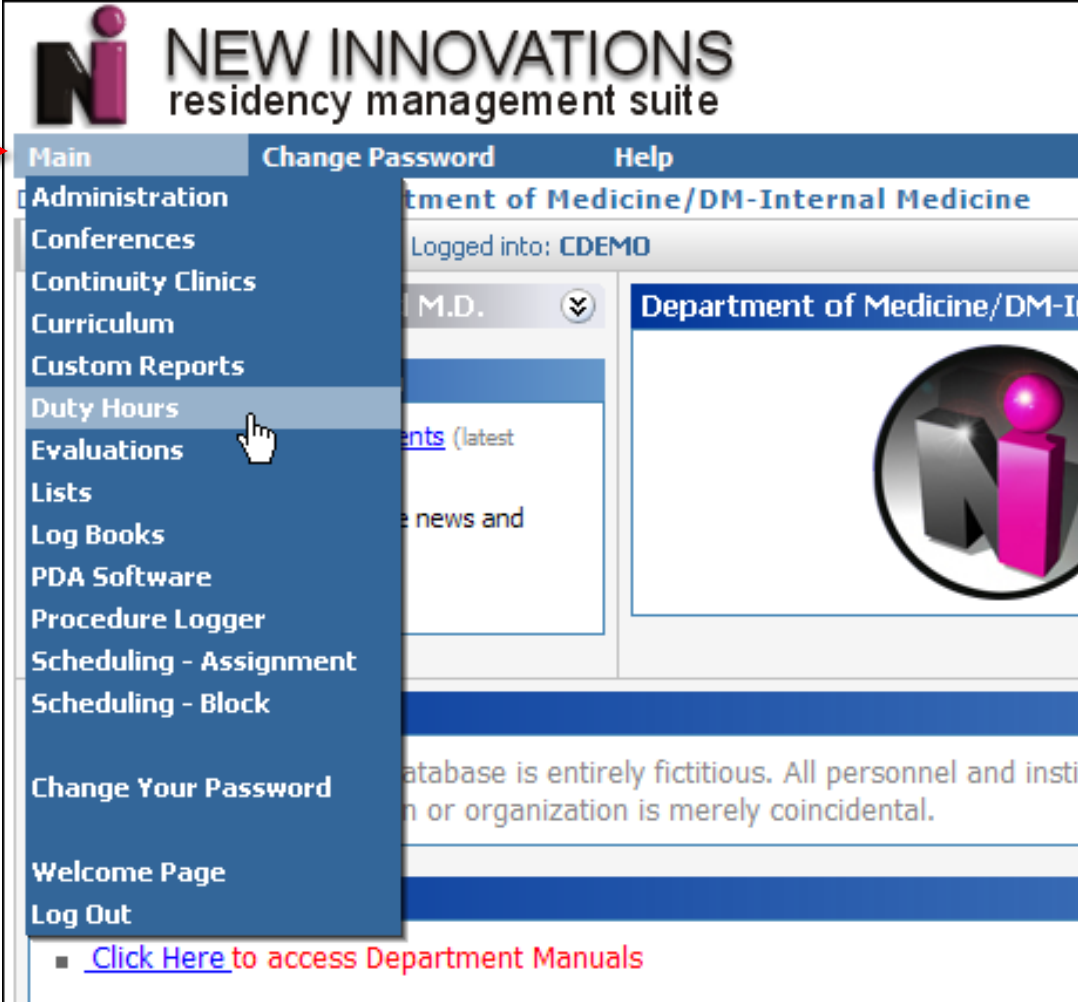

Sections, such as "My Favorites", can be collapsed by clicking on the double arrow icon, or you can manage the favorite links by clicking on [Add/Remove](#)

A screenshot of the 'My Favorites' section in a web application. The section title 'My Favorites' is in a blue header bar with a double-up arrow icon in the top right corner. Below the header is a list of ten favorite items, each with a square bullet point and a blue hyperlink: 'My Evaluation Results', 'Completed Evaluations (about me and by me)', 'Log My Duty Hours', 'My Procedure Log', 'My Procedure Log Report', 'My Log Books', 'My Continuity Clinic Log', 'My Assignment Schedule', 'My Rotation Schedule', 'Conference Calendar', 'My Conference Attendance Report', and 'Information Listing/Group Emails'. At the bottom of the list is a light blue bar containing three links: 'Add/Remove', 'Restore Defaults', and 'Display Order'. Two red callout boxes with rounded corners and arrows provide instructions: one points to the 'Add/Remove' link and says 'Click Add/Remove to adjust which favorite links will appear list', and the other points to the double-up arrow icon and says 'Click to collapse from view'.

Navigating

Navigate through the software by clicking on the **Main** menu and selecting an area you wish to work in.
